Jan is pulling together a table that lists all values, then we will be able to give you our numbers. Sorry for delay.

Thanks,

wo

Subject: Background

Hi Wendy,

I just wanted to check if you had any direction for me on what to do with backgrounds? I looked at the data from Jan and I am not sure where those locations are or which number I should use. What I could work with is at each location a list of values to use as the background for totals,

dissolved, and seds.

Any direction would be great!!

Megan
